PATIENT PROVIDER CONTRACT

The goal of the staff and physicians of Nephrology Associates of the Carolinas is to provide kind, courteous, and excellent medical care. Our intent is to help patients understand their medical situation and work with them to maximize health and minimize the effects of illness.

We will try to provide an environment where learning and healing can occur, where people do not feel afraid to ask a question because it is too simple, embarrassing, or frightening.

We would appreciate the opportunity to work with you to solve any problems you may have with Nephrology Associates of the Carolinas and encourage patients and their families to let us know if you are dissatisfied.

However, we cannot and will not tolerate abusive or threatening language or behavior in any circumstances, and these will be grounds for immediate dismissal from our practice.

I have read and understand the Nephrology Associates of the Carolinas Patient Provider Contract.
